ABOUT

My name is Adarsh Sharma, and I am a third-year B.Tech Computer Science student at IILM University. I am passionate about learning emerging technologies and continuously improving my technical and interpersonal skills. I enjoy interacting with people and understanding their perspectives to enhance my communication and social abilities.
I have experience in Unity development, graphic design, and VR technologies. Currently, I am learning AI/ML and app development to broaden my skill set and stay aligned with industry trends.
Current CGPA- 9.5
